User journey by the Design Team of Accenture Interactive NL

People 2

Time 30 min eainner

Creating a user journey is a quick way to help you and your team gain a deeper understanding of who you're designing for, aka the stakeholder in your project. The information you add here should be representative of the observations and research you've done about your users. \wp

O Phases High-level steps your user needs to accomplish from start to finish	Ensure the system and camera working properly		Open the website and go through the user Interface	
2 Steps Detailed actions your user has to perform	Check the system is working or not	Clearly visible in the camera	Test the user friendly on the system	
3 Feelings			Browsing the
